Louis Stokes Alliance for Minority Participation
Summer Bridge Program

Dates: July 5 – August 3, 2018

Eligible students for this program should be UA freshmen in Fall 2018 and majoring in science, engineering, or math disciplines. If selected, summer bridge students will enroll in two summer courses (1 English, 1 Math) at UA and attend weekly professional development seminars. Students that successfully complete the summer bridge program may apply for a scholarship that is renewable each semester for up to 4 years.

This 5-week program includes tuition, on-campus housing, and a meal allowance. For the 2018 summer bridge application, go to:
